Washington, DC 20591

**JUN 26 2012**

Mr. Andy Leimer  
Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Dear Mr. Leimer:

The Federal Aviation Administration, Spectrum Engineering Services Group received the Rockwell Collins letter dated July 16, 2012 regarding a request for Federal Communications Commission (FCC) certification of the TTR-2100 Transceiver, FCC ID: AJK8222911, a TCAS II Transmitter/Receiver with operational modes C and S. The Spectrum Planning and International Group has reviewed the data presented by Rockwell Collins and has found no objection to the FCC granting certification to this equipment.

If you require any additional information, please contact Ms. Annette Allender, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-3893.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert A. Frazier".

Robert A. Frazier  
Manager, Spectrum Planning  
and International Group
