

ATTESTATION STATEMENT:

The VHF-4100 and VHF-4100E has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or Commission standards and demonstrate that the VHF-4100 and VHF-4100E complies with the appropriate standards. Each unit manufactured, imported, or marketed, as defined in the Commission's regulations, will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on a statistical basis. I hereby certify that the tests described in this report were performed at my direction and under my supervision, and that the results and test data contained in this report truly and accurately show the performance of the transmitter in the VHF-VHF-4100 and VHF-4100E transceivers. I further certify that the ancillary information contained herein accurately reflects the design, installation requirements, alignment procedures, and operational instructions of and for this transceiver.

Signed:

A handwritten signature in black ink that reads "Kenneth Hamby". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

Kenneth Hamby

Hardware Engineer, (VHF-4100 and VHF-4100E)
