RE: FCC ID: AK8DSCG3 - Request for audit placement and supercede of manual

Please supercede 3 manual parts (all the same manual divided into 3 parts) originally uploaded at time of grant with the 3 manual sections uploaded today, 1/9/09.

The reason for this request is:

A "sample sheet" was erroneously caught up in the original one. They wish to supercede with version that does not have it.

Thank you
