SRS-XB402M

Charging the unit

1 Charge the built-in battery for the first time.

*³

○ CHARGE ○ ○ ○ CHARGE
□□ DC IN 5V □ G ○ A

⊙CHARGE ⏱05ₕ:00ₘ*¹ ● CHARGE*²
▭▭ ⟶ ▭▭
2 Close the cap firmly.

The cap plays a very important role in maintenance of the water resistant performance.

Cap

*¹ Time that is required to charge the empty built-in battery to its full capacity when the unit turns off.

*² If the built-in battery is fully charged when you connect the unit to an AC outlet, the CHARGE indicator lights up in orange then turns off after about 1 minute.

💬 a AC power cord is supplied, the shape of the plug on the AC adaptor and the connection method differ. According your country or region, connect the AC power cord to the AC adaptor.

Listening to Music by talking to the Google Assistant device

You can listen to music on the unit by talking to the Google Assistant device by linking the unit and Google Assistant device with the Google Home app. For details, check the Google Home app.

1 Slide the Amazon/Google selection switch to the "G" (Google Assistant) side.

G ○ A
←
2 Install the Google Home app.

Install the Google Home app on a smartphone/iPhone.

3 Place the unit as close to a wireless LAN router as possible.

① Establish a wireless connection from the smartphone/iPhone to the wireless LAN router.

② Take a note of the SSID and the password (encryption key) of the connected wireless LAN router.
Some of the wireless LAN routers have multiple SSIDs.
Be sure to take a note of the SSID that you used for establishing the wireless connection from the smartphone/iPhone.
For details, refer to the operating instructions supplied with the wireless LAN router.

③ On the iPhone*, activate the BLUETOOTH® function.

* The Google Home app uses the BLUETOOTH function to identify the unit.

4 Set up Wi-Fi with app.

Follow the directions in the app to set up your unit for Wi-Fi.
Set the unit to the smartphone/iPhone's same Wi-Fi connection.

• Depending on your service, you may have to create an account in advance.

Wi-Fi CERTIFIED

Note
The ❋ (BLUETOOTH)/ ➦ PAIRING button is disabled before the Wi-Fi setup is complete.

5 Talk to your Google Assistant.

You can start conversation simply by saying "Ok Google" or by pressing and holding the ►II (play) button.

Ok Google, Play some music*

Sure, here's some music on Google Play Music

4 Set up Wi-Fi with app.

Follow the directions in the app to set up your unit for Wi-Fi.
Set the unit to the smartphone/iPhone's same Wi-Fi connection.

• Depending on your service, you may have to create an account in advance.

Wi-Fi CERTIFIED

Hint
Use Sony | Music Center to deregister the unit from the Amazon account. Even if you deregister an account on the Alexa app, the unit will not recognize that the account has been deregistered.

5 Talk to your Amazon Alexa.

You can ask Alexa to play music from supported streaming services or adjust unit volume using your voice. For details of the contents that can be operated and how to talk, refer to Sony | Music Center.

Note
Amazon Alexa is not available in all languages and countries/regions.
