

Specification of antenna	YY1302B
Antenna photo	WiFi & BT FPC antenna
Antenna radiation characteristics	linear polarization
Information of antenna cable	no cable
Measurement Data of antenna radiation pattern and antenna gain	as below table and picture

Frequency (MHz)	2400	2402	2441	2450	2480	2500	5150	5180	5350	5500	5750	5825	5850
