To:

Federal Communications Commission

We, Sony Group Corporation hereby declare that we plan to cancel the FCC certificate of the following products,

Product name: Wireless Noise Canceling Stereo Headset

Model: YY2981

FCC ID: AK8YY2981

Date of Grant: 10/13/2023

The time for obtaining the certificate for the product is October 13<sup>th</sup> 2023, and product has never been sold anywhere with that FCC ID label. The short-term confidentiality period signed before is 180 days, so the FCC official website will disclose product information on April 11, 2024, but the launch date of our product is April 13, 2024. This will make the product information public in advance, and there is a risk of leakage.

The applicant is preparing these materials for submission as soon as practicable and intends to reuse this FCC ID. Therefore, the applicant respectfully requests that this Request for Dismissal without Prejudice be considered without delay.

Should you have any questions related to this matter, please contact me for additional information.

Sincerely,
