

Date: 2022-12-20

FCC ID: AL8-F60R	IC: 457A-F60R	HVIN: F60TR
AL8-F60L	457A-F60L	F60TL
AL8-CBF60	457A-CBF60	CBF60+

FCC E-Label Information:

1. Justification of using the alternative method of e-labeling for the product

The electronic labeling method was used because the radiofrequency device is equipped with an integrated electronic display screen, or only operate in conjunction with another associated product that has an electronic display.

2. According to KDB 784748 D02 e labeling v02 section 4, for devices with an integrated electronic display, or those devices that only operate in conjunction with another associated product that has an electronic display, below info has been stated in e-label and/or user manual.

A. User Steps to Access Information

Users can access the information in no more than three steps from the product’s menu. Product access process is as follows:

Starting from Main or Home Menu:

Step 1 – Swip left

Step 2 – Select the information (i) icon next to the QR code

Step 3 – Swip right

B. Products must not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information.

The product does not require special accessories or supplemental plug-ins to access the information. Access to the information does not require special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.

C. Information to be Displayed and Readability of Regulatory Information

Information	on E-label	In Manual
FCC ID number	Yes	No
FCC logo	No	No
15.19 statement (“This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.”)	No	Yes
Class A / B Digital Device user manual statements	No	Yes

Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.	No	Yes
IC ID number	Yes	No
HVIN	Yes	Yes

Product's e-label screen is provided below:

The above information is displayed electronically in a manner that is clearly legible without the aid of magnification.

D. Regulatory Information must be Secure

The regulatory information and dedicated exclusive application(s) or script(s) are secured and implemented in a factory-set-unalterable format. The regulatory information is capable of being retrieved and displayed locally and accessed by the end user. The e-label information is pre-programmed by the grantee. The information cannot be modified by the end user.

E. Physical and Temporary label for Purchasing and Importation

The below information is also on the packaging, at the time of importation, marketing, and sales:

1. FCC ID;
2. IC ID;
3. HVIN; and
4. Product model number.

F. Additional Considerations (Modular transmitters)

The device is not a modular device.
