Product Information

Model: PBVOY52

The image shows a product label for the Plantronics PBVOY52. At the top left is the Poly logo. Below it, the input rating is given as 9.0V = 1.0A = 9.0W. The label features several regulatory and certification logos: EAC UK CA, a crossed-out trash can symbol, ETL US, Intertek 81242 AV I.C.T.E., and CE. The Plantronics logo is prominently displayed. To the right, there is regulatory information for the UK and EU, and Russian text: "Беспроводная гарнитура", "Серия: Voyager 5200 Office", "Изготовитель: Plantronics Inc.", and "Сделано в Мексике". A registration mark (R) is followed by "H-XXXXX". At the bottom, a list of identifiers includes the model number PBVOY52, IC: 457A-PBVOYX2, FCC ID: AL8-PBVOYX2, CAN ICES-3 (B)/NMB-3(B), RMN(모델명/型号/型號): PBVOY52, Made in Mexico, and HP Inc. The label is shown at a 1:1 scale.
