Frank: The following will answer the questions raised:

Item 1. The device was tested with a stubby antenna and the SAR Report was also tested with the same antenna. If absolutely necessary, we can request a photo from the Applicant.

Item 2. The device was tested by UltraTech Labs for SAR as you know from the copy supplied. The test results on Page 23 of this report indicate that the device passed the limits for occupational/controlled exposure work-related operations [Rule 2.1093(d)(1)] with a duty factor of 50%.

Item 3. Photo of label placement attached.
Item 4. Drawing of Caution Statement attached
Item 5. Training Statement attached

Item 6. Thank you

Item 7. Letter from Ultratech attached

Item 8. FYI has also been addressed in UltraTech's letter

Item 9. Understood

We hope the foregoing and attached now meet the requirements of the Commission and that the Grant will be forthcoming A.S.A.P.

Compliments of the Season!

Sincerely,

MORTON FLOM, P. Eng.
