December 21st, 2000

Federal Communications Commission,

Via Electronic Filing

Attention: Steve Dayhoff

Applicant: KENWOOD COMMUNICATIONS CORP.

Equipment: FCC ID: ALH31113110 (Model TKR-850-1) EA 98744

Reference: Your Correspondence #17091 and 17412

Steve: This is in reply to your questions, i.e.

Items 1 and 2. The device is a fixed, base-mount Repeater operating with a 0dBd antenna and 100% duty cycle.

The reference to vehicle installation has been DELETED by the Applicant from the Manual instructions.

The Repeater is meant for Occupational Use and the proposed Manual instructions indicates mounting location(s). (Radio Tower, Roof Top).

Item 3. The separation distance of 42cm is not meant to satisfy uncontrolled exposure limit. The device is meant for work-related use with controlled exposure.

Please see revised Manual Instructions which will be place in the FRONT of the Manual.

We respectfully request acceptance by the Commission of the foregoing and attached, and that the Grant will be issued A.S.A.P.

Compliments of the Season!

MORTON FLOM, P. Eng.
