Subject: Request to supercede test report exhibit - FCC ID: ALH322602

To Whom It May Concern:

MET Laboratories, Inc. is requesting the Test Report Exhibit to be superceded, the wrong report was mistakenly uploaded. Also, the emission designator 16K0F3E be updated to 11K0F3E, this is a typo on the grant. This change does not affect the device's compliance.

If you have any questions regarding this application, please feel free to contact me.

Jennifer Sanchez
