Subject: 2nd Request to supercede test report exhibit - FCC ID: ALH322602

To Whom It May Concern:

MET Laboratories, Inc. is requesting the Test Report Exhibit to be superceded, the Test Lab mistakenly provided a report with the wrong information for Emission Designators. The emission designators will need to be updated based on the corrected report. This change does not affect the device's compliance.

If you have any questions regarding this application, please feel free to contact me.
