**Subject:** FW: FCC Equipment Authorization System; ALH413603; NEW

Greetings.

This device, ALH413603, model designations TK-3300-1 & TK-3300-2 were Certified 8/3/09.

The Instruction Manual mentions a dealer programmable feature of Voice Scrambler.

Only the authorized Kenwood radio Dealer, not the end user, can program this feature for a Part 90 application.

Of course a Part 95 application cannot have a scrambler per 47 CFR 95.183(a) (4).

Thank you,

Joel E. Berger
