RE: Request for Class II Permissive Change on FCC ID: ALH423500

To Whom It May Concern:

We wish to achieve the following outcome, by way of a Class II Permissive Change, shown below.

Add FCC Rule Part 80. There are no changes to the circuitry and the test data, reported when certification is granted, supports it.

Please contact me if you require any additional information.

Sincerely,

Kenwood USA Corporation
