SUBJECT: Class II Permissive Change for FCC ID: **AMWON525**, FRS/GMRS to FRS

Dear Examiner,

This is a request for a Class II Permissive Change to reclassify a combination FRS/GMRS PTT Transceiver, FCC ID: **AMWON525**, Models: **GMR3050-2C**, **GMR-3055-2CK**, to an FRS only PTT Transceiver.

The transceiver is identical in all aspects to that which was previously granted with the exception that the GMRS bands have been disabled. No other modifications have been made and the transceiver remains compliant to the requirements of FCC Part 95B. The User's manuals have been revised to indicate this change.

If you have any further questions or concerns please do not hesitate to contact me. Thank you.

Sincerely,

Art Voss, P.Eng.
