RE: Equipment Authorization for FCC Certification

We, Uniden America Corporation (hereinafter "Uniden"), hereby authorize Timco Engineering Inc., located at 849 NW State Road 45 in Newberry, Florida 32669, to act as our agent for the purpose of filing an equipment authorization application for our device identified by the FCC Identifier AMWUC518 under all applicable parts of the FCC rules and regulations.

The effective date of this limited agency agreement is February 5, 2008. This limited agency agreement expires on February 6, 2009, unless sooner terminated or extended by written notice to Timco Engineering, Inc. and the Federal Communications Commission.

Uniden certifies that equipment manufactured, imported, or marketed under the FCC ID: AMWUC518 will comply with the parameters established in the application for equipment authorization unless the changes are in full compliance to the provisions in Part 2 of the FCC rules that allow such changes.

This is to advise that Uniden is in full compliance with the Anti-Drug Abuse Act. Uniden is not subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Act of 1988, 21 U.S.C. 862, and no party to the application is subject to a denial of federal benefits pursuant to that section.

If you have any questions or comments, please do not hesitate to contact me.
