Dear Sirs and/or Madams:

Subsequent to uploading the above referenced application for equipment authorization, I noticed that inadvertently the wrong identification label drawing exhibit file [Label Drawing.pdf] had been submitted instead of the proper exhibit.

Please accept my sincere apology for this error.

However, I have uploaded a new identification label drawing exhibit with a file name [Corrected Label Drawing.pdf], which replaces the one submitted by mistake.

Thank you for your consideration in this matter. Please contact the undersigned if you have any questions or need any further information.

Regards,
