Ref: Uniden America Corporation's application for change in FCC ID for FCC ID: AMWUU228

To Whom It May Concern:

This is a request for a change in FCC ID for our model UDR200 under FCC ID: AMWUU228.

The original model, model number DRX40 was certified under FCC ID: AMWUU211 on 9/2/2009. The new model is electronically identical to the previously certified repeater. The original test results for FCC ID: AMWUU211 are representative of and applicable to model UDR200 bearing FCC ID: AMWUU228. The new model has a different housing.
