**Subject: Request for FCC Certification of Part 15, Subpart C
(Class II Permissive Change)**

Dear Sir and Madam:

Please find enclosed an IBM's application document concerning FCC Part 15, Subpart C. We would like to request the TCB certification for the following wireless product.

- FCC ID : ANOU58H004
- the last grant date : February/26/2003 (Class II change)
- Model Number : U58H004
- Device type : LMA device of 2412-2462MHz DTS, Direct Sequence system

The applying product is a IEEE802.11b WLAN mini-PCI adapter and is an **user installable** LMA transmitter module. An electronic unique connector, so called "**BIOS Lock**", is employed for user installation.

The objective of this Class II Permissive Change application is to add the new antenna systems of host PC devices, IBM ThinkPad R50 Series and T40 Series (LCD 15 inch model).

If any further information is required concerning this application, please contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Akihisa Sakurai'.
