Ref: FCC Class II Permissive change for FCC ID: APIBAR200

Applicant: Harman International Industries, Inc.

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: APIBAR200 originally granted on 04/23/2019 (date).

The change under this application as following:
Added the audio amplifier IC (ALC1322), change PCB Layout, added power board components manufacturers and shell material. There is no RF parameter change to the operating frequency band, rated radiated and conducted output power of the device.

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Sincerely,

Signature:
