Ref: FCC Class II Permissive change for FCC ID: APICRUISEHS

Applicant: Harman International Industries, Inc.

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: APICRUISEHS originally granted on July 01, 2019 (date).

The change under this application as following:
RF module, Antenna, Enclosure, Internal structure. There are no RF parameter changes to the operating frequency band, rated radiated and conducted output power of the device, there is a new main board added which changed the power amplifier, please reference the new power amplifier << Cruise change instruction.pdf>>.

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.
