

**Harman International Industries, Inc**  
**8500 Balboa Boulevard, Northridge, California, 91329, United States**

We, Harman International Industries, Inc declare that this EUT (FCC ID: APIHKCT300) doesn't have ad Hoc Mode function on "non-US/Canada frequencies". In addition, the frequency selection feature is disabled by firmware for devices marketed to the US/ Canada. For DTS part of this device, only channels 1-11 will be used in North America. Country code selection is disabled.

Should you have any questions or comments regarding this matter, Please have my best attention.

Sincerely yours,

Signature:
