Request for Class II Permissive Change

RE : Permissive II Change Request for Company Harman
International Industries, Inc. FCC ID: APIJBLCHARGE

IC: 6132A-JBLCHARGE

Please be notified that we, the undersigned, Harman International Industries, Inc. product description: Portable wireless speaker, model: JBL Charge (FCCID: APIJBLCHARGE, IC : 6132A-JBLCHARGE Original Grant Date: 12/25/2012) declare that the transmitter module itself has not changed. Here are the reasons for this Class II permissive change:

- 1: Add another adaptor for market requirement.
- 2: Add another built-in battery for market requirement.

Please refer to below form for detailed information:

And also be notified that the product of the approved is identical with the original one, except the adaptor and battery.

Item	Specifications
Adaptor of original equipment	Model: EFA01200500200CE DC5V 2A
Adaptor of Class II permissive change	Model: F5V-2.3C-1U DC5V 2.3A
