

Harman International Industries, Inc
Request for Class II Permissive Change

FCC ID: APIJBLENPEAK3

Date: 2024-09-11

TO: Federal Communication Commission

Please be notified that we, the undersigned, Harman International Industries, Inc, declare that the reasons for this Class II permissive change are as below:

- 1 The circuit parts and electronic components and PCB board are the same as the original, no change.
- 2 Only the following PCB layout has been changed, in order to improve VSWR:
The amplifier circuit near RF is different from the Non-RF PCB layout.
RF pcb layout will change slightly, but the changes are all wiring longer or shorter

The original grant date is 06/05/2022

Thank you.
Sincerely,
