**Declaration of difference**

February 23, 2019

Date:

The product: PORTABLE BLUETOOTH SPEAKER

Model No.: FLIP5

FCC ID: APIJBLFLIP5

IC ID: 6132A-JBLFLIP5

Dear Examiner,

here are three kinds of products for three factories in this report, the main PCB of the products, Battery Model, software and hardware versions are different, but antenna type and RF module are the same, so only radiated emission and Power Line Conducted Emissions were tested respectively and recorded in this report.

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Sincerely,

*Tim Song*
