Applicant: Harman International Industries, Inc.

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: APILIVE660NC originally granted on 11/03/2020 (date).

The change under this application as following:

Remove the IC (Model: SGM227), updated ADC module. There are no RF parameter changes to the operating frequency band, rated radiated and conducted output power of the device.

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Sincerely,
