Front view	Rear view
 A photograph showing the front view of a small, black, rectangular electronic device. The device is positioned vertically on a light-colored wooden surface. A stainless steel ruler is placed horizontally below the device, and another ruler is placed vertically to its left. The vertical ruler shows the device's height is approximately 40 mm. The horizontal ruler shows the device's width is approximately 20 mm. The JBL logo is visible on the front face of the device.	 A photograph showing the rear view of the same black, rectangular electronic device. It is placed on the same wooden surface next to a stainless steel ruler. The ruler indicates the device's height is approximately 40 mm and its width is approximately 20 mm. The rear face of the device appears to have a recessed area, possibly for a microphone or sensor.
