Dear Madam or Sir,

Re: Justification for not labeling FCC ID on the product

We, SHARP CORPORATION, hereby justify for not placing FCC ID on the product surface.

The reason is because the dimension of the product is too small for the FCC ID to be readable and it is not practicable to label the ID on the product surface. Alternatively, we will place the FCC ID in a prominent location in the user manual supplied with the product.

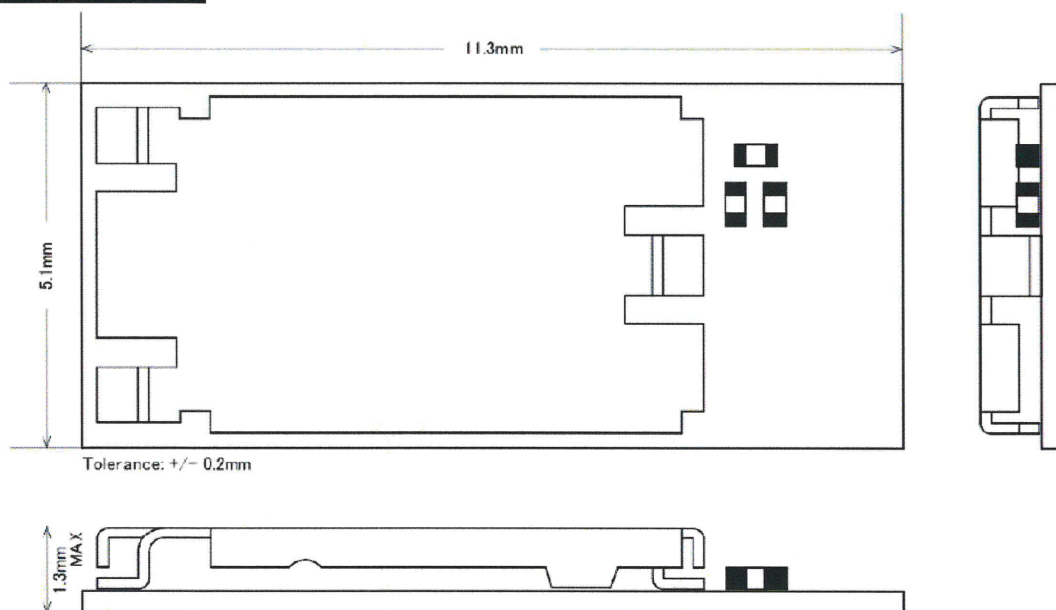

Any queries you may have, please do not hesitate to contact us.
