Dear Sirs,

Sharp Manufacturing Company of America requests approval for the subject models according to FCC rules Part 2 and Parts 18 for a Class II permissive change. Enclosed you will find a completed FCC Form 731 and supporting exhibits. The purpose of this filing is to add an additional Magnetron to the existing FCC ID. The Lucky Goldstar 2M246. The Oven Cavity and mechanical construction are identical to the previously certified equipment.

If you should have any questions concerning this application please contact myself, (901) 367-5150 or Mr. Steve Petruska, (201) 529-9689. Thank you.

Sincerely,

Derek Shannon
