Re: Request to Dismiss DXT grant (TC161516, FCC ID: APYHRO00208)

Dear FCC

We request dismissal of this DXT filing because it was used, mistakenly, in place of a DXX filing due to issues with filing category A1 (13.56MHz) and A2 (2400MHz) under the same equipment code.

This DXT filing has now been consolidated with the DXX equipment code under this FCC ID and so it is now redundant.

We now understand the correct approach for these types of filings and apologize for the inconvenience caused.

Mark Briggs
