## DECLARATION OF SIMILARITY

Date: 4<sup>th</sup> November 2015

RE: Declaration of Similarity  
IC ID: 10176A-003  
FCC ID: AQO 003

To Whom It May Concern:

Please be advised that the differences between the models 0775G02 and 0775G04 below are

- 0775G02 – 3-button domes in line forming a 3-button key fob.
- 0775G04 – 4-button domes in a T forming a 4-button key fob.

The models can share test data because they are schematically identical, share exactly the same Radio circuit and have both been tested to find the worst case configuration.

The FCC Test Report TRA-022854-04-47-00A, Section 13.6 details the Test Results which show there is no discernible difference the Transmit Power of these two products.

The IC Test Report TRA-022854-04-47-01A, Section 13.6 details the Test Results which show there is no discernible difference the Transmit Power of these two products.

Thank you for your attention to this matter.

Yours faithfully

5-11-15
