Subject: Part Number/Model Listing Equivalency Letter

Dear Sir/Madam:

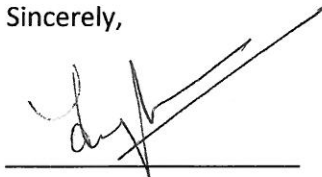

This letter is to verify that the following Models/Part Numbers are equivalent to each other. Our products were tested under the part number: RS-2b / SU-2b and the Reports were written using these Numbers. However our client wishes to use the model numbers that they chose, RS-2O-H2, RS-2O-S2, RS-2O-H1, RS-2O-S1, SU-2O-HB and SU-2O-00, for certification.

The Model Number (RS-2O-H2, RS-2O-S2, RS-2O-H1, RS-2O-S1, SU-2O-HB and SU-2O-00) is our customer's designated model number in terms of colors and configurations. These will be the model numbers used for certification.

The Part Number (RS-2b / SU-2b) is our internal part number. We would like to keep these part numbers listed in our reports for quality purposes.

I do hereby declare that the Model Numbers: RS-2O-H2, RS-2O-S2, RS-2O-H1, RS-2O-S1, SU-2O-HB and SU-2O-00 and the Part Numbers: RS-2b / SU-2b are in fact designated to the same unit that was tested under the Part Numbers RS-2b / SU-2b but will be listed for our client as RS-2O-H2, RS-2O-S2, RS-2O-H1, RS-2O-S1, SU-2O-HB and SU-2O-00 with your agency.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tanuj Mohan', is written over a horizontal line.
