The RF-7800W Broadband Radio will be sold to Federal and Government Department of Defense (DoD) customers. We feel that this information, including the Internal Photos and Operator's Manual, is considered as sensitive and creates a vulnerability to US and friendly forces deploying this product in military applications. Public display of this information does not prohibit hostile forces from attaining this information readily and using it in a manner to jeopardize lives.

This request is made under the provision of 47 CFR Section 0.457 and Section 0.459 of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

Thank you for your attention to this matter.
