Applicant: Harris Corporation, RF Communications Division  
FCC ID: AQZ-RF-7800W-G2  
Product Name: RF-7800W Broadband Radio

Subject: Justification For Confidentiality

Harris wishes to submit this confidentiality letter for the record on the RF-7800W Broadband Radio. Harris is requesting that the following be kept confidential and not made routinely available for public inspection:

- Theory Of Operation
- Operator's Manual

The RF-7800W Broadband Radio will be sold to Federal and Government Department of Defense (DoD) customers. We feel that this information, including the theory of operation and operator's manual, is considered sensitive and creates a vulnerability to U.S. and friendly forces deploying this product in military applications. Public display of this information could aid hostile forces in obtaining this information and using it in a manner to jeopardize lives.

This request is made under the provision of 47 CFR Section 0.457 of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "William H. Pertner".
