SUBJECT: Justification for requesting user manuals and internal pictures as confidential documents.

APPLICANT: Harris Corporation RF Communications Division

FCC ID: AQZ-RF7800W-OU440

To Whom It May Concern:

Harris Corporation, RF Communications Division ("Harris") would like to request that the internal photographs and user manuals be made confidential and not available to public viewing.

The RF-7800W-OU440 radio will be sold to Federal and Government Department of Defense (DoD) customers. We feel that this information is considered as sensitive and creates a vulnerability to US and friendly forces deploying this product in military applications. Public display of this information does not prohibit hostile forces from attaining this information readily and using it in a manner to jeopardize lives.

This request is made under the provisions of Section 0.457(d) of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.
