

Attachment to FCC Form 731

FCC ID: AQZ-VSR-4201-001

Exhibit 1

RX ID Label

The equipment identification label to be used on the VSR-4201-001 VHF Receiver is shown below and is actual size.

This label will be placed on the right rear side of the chassis, as viewed from the front. Refer to Exhibit 3, RX External Photos, for a showing of the exact label location.
