Subject: Confidentiality Request for AQZ-XG-100LPA
Original Grant

Harris wishes to submit this confidentiality letter for the record on FCC ID: AQZ-XG-100LPA ; XG-100LPA. Harris is requesting that the following be kept confidential, and not be made available for routine public inspection:

- Block Diagrams
- Parts Lists
- Technical Operational Description
- Schematics
- Tune Up / Alignment Procedure

This product will be sold to Federal and Government Department of Defense (DoD) customers. Harris feels that this information is considered sensitive and creates a vulnerability to U.S. and friendly forces deploying this product in military applications. Public display of this information does not prohibit hostile forces from attaining this information readily and using it in a manner to jeopardize lives.

This request is made under the provision of 47 CFR Section 0.457 and Section 0.459 of the Commission's rules, and section 552(b)(4) of the Freedom of Information Act. These sections authorize a withholding from public inspection material which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

Thank you for your attention to this matter.

A handwritten signature in black ink that reads "William H. Pertner".
