

Hardware Equality Declaration

CCS Adaxys AG, CH-8853 Lachen,

declares that the avalanche beacons:

	FCC ID	IC Certification	HVIN
Barryvox®S	ARN-BARRYVOX-S	8038A-BARRYVOXS	7600.0033
Barryvox®	ARN-BARRYVOX	8038A-BARRYVOX	7600.0035

- have identical radio parts and antennas built in
- in all relevant electrical components are identical, with the differences that Barryvox® has reduced functionalities and has a segment-type LCD instead of a dot-matrix-type
- in all relevant mechanical components are identical with the difference that Barryvox®S has two push buttons on the right side of the housing
