Letter of Modification

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road,
Columbia, MD 21046

Date: October 18, 2000

Subject : Class II Permissive Change / 15" LCD Monitor, FCC ID. : ARSTF1560E
Original Granted 07/22/1999

Dear Sir,

This letter services as our explanation that the subject certified product changed is to add a LCD Panel (Toshiba, M/N HSD150MX41) and re-lay out the main board for Top Victory 15" LCD Monitor. The purpose of these changes is to upgrade the original model. All the other functions are same as before. Please refer to photographs.

Top Victory asked the Taiwan Tokin EMC Eng. Corp. to make a compliance testing according to FCC ANSI C63.4-1992 and get a compliance report to prove that those kinds of modifications on this base unit don't influence the noise emission level. Top Victory asks you to accept this as a Class II Permissive Change.

If you have any questions or require any other information, please do not hesitate to contact our agent.

Sincerely Yours,

Frank Yang
Project Manager
