Federal Communications Commission  
Equipment Authorization Division  
Application Processing Branch  
7435 Oakland Mills Road  
Columbia, MD 21046

FCC ID: ARURPU416A

Dear Sir:

The following application is being submitted on behalf of our client, RELM Wireless Corporation for evaluation for equipment authorization of their model RPU416A UHF FM Transceiver. Equipment authorization is being sought to the relevant portions of rule parts 22, 74, 80 and 90.

The device was tested and found to comply with the rules

Sincerely,

Sam Wismer  
Engineering Manager  
ACS, Inc.
