Subject: Confidential Treatment for Schematics - FCC ID: AS5BBTRX-07

Dear Examiner:

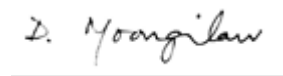

Pursuant to 47 CFR 0.457(d) and 47 CFR 0.459 of the FCC Rules, we request that the following documents be kept confidential and be withheld from public inspection. The information contain in these documents which are submitted to the FCC are considered a trade secret and not routinely available to the public.

The reason that the material should be withheld from public inspection is that the exhibits listed contain Schematics and parts lists of "Light Radio 9768 Metro Radio Outdoor" FCC ID: AS5BBTRX-07 that are proprietary. This information is not publicly available. Therefore, I would like to request you to treat the following as confidential.

- (1) Schematics and Parts list
- (2) Operational description

Thank you for your attention in this matter

Sincerely,

Dheena Moongilan
Distinguished Member of Technical Staff
