Dear FCC Examiner:

On behalf of Alcatel-Lucent, I hereby request that the following exhibits be granted an exception per KDB 726920 and be allowed permanent confidentiality in the Application for Product Certification under **FCC ID: AS5BBTRX-21**. The product in question is Alcatel-Lucent's **PCS LTE 9764 Metro Cell Outdoor Transceiver System** designed to operate under Part 2 and Part 24 in the authorized and licensed wireless spectrum. The specific exhibits are:

<u>Exhibit #</u>	<u>FCC Rule Section</u>	<u>Exhibit Title</u>
Exhibit 6	Section 2.1033(c) (3)	Instruction Book

These exhibits contain Alcatel- Lucent proprietary information that is considered to be trade secrets, with possible patents pending, and the property of Alcatel-Lucent, pursuant to the provisions of Parts 0.457(d) and 0.459 of the Commission's Rules. This exhibit is highly proprietary and contains trade secrets from which competitors could discern critical competitive design and feature information that is proprietary both to Alcatel- Lucent and to Alcatel- Lucent's contracted manufacturer/supplier.

The Manual, Alcatel-Lucent 9764 Metro Cell Outdoor LTE 2x1W and 2x2W Hardware Installation 3MN-B2-2x2W-IMOP Issue 4 December 2014, included in **Exhibit 6**, is not furnished to the user, except under circumstances which include a Data Privacy Protection Agreement and payment. This manual contains highly proprietary information about circuits, equipment, features and architecture descriptions that must not be made available for public inspection. The cover/title page is explicitly labeled:

Alcatel-Lucent – Internal
Proprietary – Use pursuant to Company instruction

This information meets the requirements as specified in KDB 726920 D01 Confidentiality Request Procedures v01.
Thank you for your consideration in this matter.

Sincerely,

Rudolf J. Pillmeier
