

EXHIBIT 12

Radiofrequency Radiation Exposure SECTION 2.1091

EXHIBIT 12

Section 2.1091

In accordance with the FCC rules concerning radio frequency radiation exposure for mobile devices under section 2.1091(c) the Lucent Technologies **WaveACCESS NET (CU232)** Control Unit is categorically excluded from routine environmental evaluation prior to authorization or use.

The CU232 meets the MPE requirements in section 1.1310, Table 1B for General Population/Uncontrolled Exposure.
