

## **EXHIBIT 12**

### **Radiofrequency Radiation Exposure** **SECTION 2.1091**

**EXHIBIT 12**

**Section 2.1091**

In accordance with the FCC rules concerning radio frequency radiation exposure for mobile devices under section 2.1091(c) the Lucent Technologies **WaveACCESS NET (CU232)** Control Unit is categorically excluded from routine environmental evaluation prior to authorization or use.

Moreover, the system requires professional installation. The installation manual provides specific information to the professional installer concerning RF exposure hazards. Specific information is given in exhibit 6.
