Subject : Request for Confidentiality
FCC ID : AS5LTIMDW9G

Gentlemen:

In accordance with § 0.459 of CFR 47, Lucent Technologies requests confidentiality for the Exhibits D & F. These exhibits are :

1. Block Diagram (Exhibit 4)
2. Schematic Diagrams (Exhibit 5)
3. Theory of Operation (Exhibit 12)

These exhibits contain detailed system and equipment description and related information about the product which Lucent Technologies considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Lucent Technologies also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
