To: FCC Admin

Date: 01 July 2009-07-01

Ref: FCC ID: ASIV5X004

During the upload of exhibits the wrong test report has been sent. The currently uploaded file contains at the end of the file the Test Setup Photos.

STC (Short Term Confidentiality) is required/requested for the Test Setup photos and therefore the request to delete the Test Report currently at the FCC website to replace it by the newly uploaded Test report (10.DWAM81-IA\_test\_report.pdf).

Best regards,

Shohei Kuboki
