Attn: Director of Certification

RE: FCC ID: ATH2425333

In Accordance with KDB pub 634817, E.F. Johnson Company is requesting to remove the 380 – 399.9 MHz band from the Grant. This band is a DoD band, and thus does not require certification.

Regards,

A handwritten signature in blue ink that reads 'John L. Oblak'. The signature is written in a cursive, flowing style.
