Dear Sirs:

The tuning procedure for the EF Johnson Technologies portable radio identified by FCC identifier ATH2425780 is accomplished by connection of the radio to a Personal Computer running the EF Johnson Viking Tune program. The procedure is automated, with the operator following the computer generated instructions. Connection of the radio to the computer is given in section 4 of the radio service manual.

Sincerely,

A handwritten signature in blue ink that reads 'John S. Oblak'. The signature is written in a cursive, flowing style.
