Re: FCC ID: ATI9RVOD1023  
Confirmation No: TC765822  
Date of Grant: 02/18/2005

Dear Bette,

We were just informed by the agent that there was some administrative error in the filing process, the real FCC ID the applicant wants to obtain is ATI9R3VOD1023 (mail was attached below for reference).

Accordingly we uploaded aRequest for Dismissal letter to the above mentioned application. Please kindly dismiss this grant.

Thank you so much for your help!

**Subject:** FCCID ATI9R3VOD1023(AN05T4543) Grant Problem

Dear Helen,

We have a problem with grant and invoice of AN05T4543.

This is our mistake with the submitted process.

I filled with the wrong FCC ID(**ATI9RVOD1023**) when I submitted this project. The correct FCC ID should be **ATI9R3VOD1023**.

Please help us to update the attached test report and sent the revised ID grant and Inv. to us ASAP.

Best Regards,
