Re: iLuv Creative Technology  
FCC ID: ATL-ISP165  
FCC Part 15C Certification  
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. iLuv Creative Technology requests that the following documents regarding this submission for FCC ID: ATL-ISP165 be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	Block Diagram.pdf
Schematics	Circuit Diagram.pdf
Operational Description	circuit description.pdf
Part list	BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which ATL-ISP165 considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, ATL-ISP165 considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
